

## Mission

Brooklyn Community Housing & Services (BCHS) is committed to ending homelessness in Brooklyn. Each year, we provide safe and clean supportive housing for more than 1,000 formerly homeless women, children, and men. We help them learn how to live productively and independently, with dignity and hope.

Our programs provide short-term, transitional and permanent housing, homelessness prevention, personalized case management, mental health care, on-site nursing, vocational training, substance abuse counseling, recreational activities, and other vital services.
